

# Support for employers

Our free support offer can help you:

- Develop bespoke provision to respond to your current and future recruitment needs including the promotion of opportunities and access to large scale careers events
- Develop a greener workforce and attract and retain a more diverse workforce
- Provide information and advice on apprenticeships
- Understand the skills needed to support your workforce including upskilling and reskilling your existing employees
- Signpost to partners who can offer specialist advice on grants, business growth support and sustainability
- Support social value outcomes through engagement with the city's schools, colleges and local communities to inspire and inform the emerging and future talent in the city
